

MEETING: Champion Place Apartments
Flood Mitigation Project
DATE OF MEETING: November 10, 2026
LOCATION: City of Texarkana – City Hall
TIME: 6:00-7:00 PM

PUBLIC MEETING NOTICE

The public is invited to attend a public meeting to learn about the Texas Water Development Board’s program studying proposed flood mitigation solutions for flooding at the Champion Place Apartments in the City of Texarkana. This project is designed to reduce flood risk and improve stormwater management within the apartment complex and adjacent neighborhood.

Project team members will provide an overview of the project, discuss anticipated benefits and next steps, and receive public comments and questions.

For additional information, please contact:
